Quality On Tap!

The Hawai'i Rural Water Association is offering Backflow Assembly Tester Training and Refresher Courses to help attendees to prepare for the ABPA Tester Certification Examination. The next scheduled ABPA Tester Certification Examination date is July 14, 2016. **Applicants must register directly through ABPA for the tester certification examination. HRWA does not sponsor the testing.** To register for the ABPA Tester Certification Examination, go to http://www.abpa.org/?page=Tester_Cert.

Course training will be based on the USC FCCC Manual of Cross Connection Control, 10th Edition. You will need this manual to participate in the course. **The manual and the laminated Field Test Procedure can be purchased through HRWA with your course registration or at** http://fccchr.usc.edu/tools.html#TenthEdition. If you are an HRWA Member, the manual is included in the registration fee. To enroll in this training course, return this registration form to hrwaoffice@hawaiirwa.org or to our mailing address.

Space is limited to a maximum of 12 participants.
