

## WATER ENGINEER – OAHU

Pural Water Specialty Co., Inc. is an experienced State of Hawaii licensed contractor providing services statewide and the Pacific, for potable and non-potable water systems, water management services and specialty areas related to the water industry, with office locations on Oahu, Maui and the Big Island.

We are currently seeking for an experienced Water Engineer to join our Oahu team. This Engineer will:

- Identify and troubleshoot system deficiencies; problem solve and provide recommendations to our managers and/or Water Operations team.
- Provide technical support to our team, while leading tasks/projects simultaneously and utilizing technical knowledge and expertise to develop the team's overall capabilities.
- Inspects and accesses contracted water distribution systems at all office locations to ensure compliance with Federal and State regulations and contractual obligations are met. Works closely with the Water Operations team to correct system deficiencies.
- Creates cost estimates and project schedules for assigned projects and as requested.
- Gathers and compiles data needed to submit required reports to contracted water system customers and regulatory agencies.
- Provides support and assists other team Engineers.
- Keeps abreast of Federal and State government and regulatory requirements to ensure company compliance with the rules and regulations.

### Qualifications

- Bachelor's degree in Civil, Mechanical or Environmental Engineering.
- At least five years of progressive work experience in a related or similar position and field.
- Current Hawaii Distribution System Operator (DSO) certification preferred.
- Familiar with and demonstrated experience using AutoCAD system.
- Familiar with OSHA/HiOSH rules and regulations.
- Familiar with EPA standards and protocols.
- Valid driver's license with a clean traffic abstract.
- Able to travel off island.
- Candidates should be flexible, possess critical thinking and leadership skills, concise and clear written and verbal communication skills and work well in a team environment.
- Must be able to clear background check for access to secure work sites.

Our full-time employees enjoy:

- 10 paid holidays
- 2 - 3 weeks of paid vacation
- Medical/Dental (employee's premiums are covered 100%)
- Wellness Program
- 401(k) and Profit Sharing Bonus
- 1 week of paid sick leave
- Education & Training Assistance

Office Hours are Monday – Friday, 7:00am – 3:30pm

*In support of the economic conditions that has affected Hawaii, local candidates will be given priority over out-of-state candidates.*

Interested and qualified applicants are welcome to submit their resume and salary requirements to [laurie.matsunami@puralwater.com](mailto:laurie.matsunami@puralwater.com).
