Continuing Education Training Program for Water System Operators Course Listing - Page 2 June and July 2017

Topic Descriptions

Alternatives to Traditional Chlorine Disinfection: *Alternatives to chlorine disinfections provides managers and operators with an overview of other conventional techniques currently being employed for water treatment.*

Emergency Response Plans & Vulnerability Assessments: *The course is designed to provide Managers and Operators with a comprehensive understanding of what is included in an Emergency Response Plan and Vulnerability Assessment, and how that information plays a vital role in the operation of your utility.*

Tuition Costs Per Class Per Year

This CEU Training Program for Water System Operators was designed to be self-sustaining after the initial 3 year period, which ended October 8, 2015. This means that tuition fees increased in Year 4.

Tuition training credits offered with annual HRWA system membership.

Program Year	You Pay	Program paid on your behalf
One	\$ 60.00	\$ 180.00
Two	\$ 125.00	\$ 125.00
Three	\$ 195.00	\$ 65.00
Four	\$ 270.00	\$ -
