### Topic Descriptions

**Emergency Response Plans & Vulnerability Assessments:** *The course is designed to provide Managers and Operators with a comprehensive understanding of what is included in an Emergency Response Plan and Vulnerability Assessment, and how that information plays a vital role in the operation of your utility.*

### Tuition Costs Per Class Per Year

This CEU Training Program for Water System Operators was designed to be self-sustaining after the initial 3 year period, which ended October 8, 2015. This means that tuition fees increased in Year 4.

***Tuition training credits offered with annual HRWA system membership.***
