

HRWA - Training Instructor
(Part-time)

The Hawai'i Rural Water Association (HRWA) is currently recruiting for a part-time (20 hours/week) Training Instructor.

The Training Instructor will provide instructional training in a classroom setting with some hands-on training in the field. Training includes expertise in technical, managerial and financial areas as it relates to water and/or wastewater utility, regarding daily operations of a drinking water distribution system and/or water treatment facility or a sanitary sewer collection system and/or wastewater treatment facility.

Qualified applicants should have strong communication skills and be able to function and adapt in a dynamic work environment. The Training Instructor position requires extensive travel within the State of Hawaii and possibly in the Western Pacific region.

Qualified applicants should possess, at a minimum, education equivalent to a high school diploma and multi-year work experience (a minimum of 5 years) in operating and/or managing a community water system or sanitary sewer collection system and wastewater treatment facility; at least 2 years of recent experience as a Circuit Rider in water or wastewater or in an instructional training capacity.
