The Hawai'i Rural Water Association is offering a Backflow Prevention Assembly Tester Certification Training Course. This course will help attendees to prepare for the ABPA Tester Certification Examination on October 13, 2023. To enroll in this training course, return this registration form with payment to training@hawaiiirwa.org. This year, the training will entail half-day of classroom instruction and half-day of hands-on learning provided by Mr. Garrett Yates of Backflow Management, Inc.

Applicants MUST register for the exam and pay the exam registration fee directly through ABPA for the tester certification examination. Once you have registered for the HRWA Certification Training (by submitting this form and making payment), the details for registering for the ABPA Tester Certification Examination will be provided with your confirmation of receipt. Course training will be based on the USC FCCC Manual of Cross Connection Control, 10th Edition. **This manual is required to participate in the course and is included in the Registration fee.**

**The HRWA will adhere to strict Covid-19 restrictions and protocol during each day of training and during the exam.*

Space is limited to a maximum of 15 participants for this course.

ONLY 10 SEATS ARE GUARANTEED FOR THE OCT. 13TH EXAM

Course Registration Fee: \$1,200.00 member/ \$1,800.00 non-member price (includes manual)

Deadline for registration is September 22, 2023, and attendance is on a 1st come, 1st served basis. Approval for the exam is determined by the ABPA certifying board.

Note: Attendees will be allowed to use HRWA equipment as available but are strongly encouraged to bring your own test gauges & tools.
