Demonstration Track

In addition to the main conference presentations, the Demonstration Track will feature presentations covering a physical product or process, particularly something that would benefit a wide range of operators. **Please note that the purpose of these presentations is NOT to give a direct sales pitch for a specific product.** Instead, these sessions provide a more interactive, hands-on, informal session to describe a generic piece of equipment that your company happens to provide.

Held within the exhibit hall, in a dedicated space, will be the demonstration track. Presentations will be in 45-minute blocks - 30 minutes for presentation and 15 minutes of questions and answers. Please respond to this Call for Abstracts and indicate your submission is for a Demonstration Track.

Selection Process

All abstracts will be reviewed and selected on: Originality, Technical Content, and Quality.

Selection Process:

Abstracts due	December 15, 2021
Presenters notified by	January 15, 2022
Presentations due	May 11, 2022

Speakers will be responsible for all their transportation, lodging, and registration fees, as there are no travel or assistance funds available. The speaker registration will cover one speaker on the day of the presentation. Accompanying co-presenters must register as a regular attendee. There is a flat fee for speakers to attend additional days of the conference for which they are not presenting. Speaker registration does not include admission to evening events, which can be purchased as add-on items. Please visit the conference website for further information: www.hawaiiirwa.org.

Please ensure all information submitted is complete and correct, as it will be used in promotional materials and submitted for CEU approval.
