

**HAWAI'I RURAL WATER ASSOCIATION**  
**TRAINING AND TECHNICAL**  
**CONFERENCE**

We are thrilled to announce our upcoming **HRWA Training and Technical Conference**, alongside a golf tournament scheduled for **November 19 – 21, 2024**, hosted at the **Courtyard King Kamehameha's Kona Beach Hotel**. This event aims to provide technical presentations tailored for our water and wastewater communities, with a focus on security and emergency response training, industry technologies, and equipment essential for maintaining sustainable utilities. Through our conference programming, attendees will have the opportunity to gain valuable, up-to-date information and explore innovative approaches through technical sessions and tabletop exercises covering a wide range of topics.

In addition to our technical sessions, attendees can participate in the **Great American Water Taste Test competition** during our meet-and-greet session or test their skills in the **Backflow Prevention Assembly Tester Competition**. Alternatively, for those interested in honing their golf skills, we invite you to join us on **Friday, November 22** for our **golf tournament**. Proceeds from the tournament will support our apprenticeship program.

Conference sponsorship opportunities are listed below. By becoming a sponsor, you enable us to deliver an enriching and innovative learning experience for all participants.

Waipuna: \$10,000 (Co-Sponsorship) – PowerPoint ad plays on screen during preconference and conference (donor to submit one PowerPoint slide), Conference booklet full page color ad, Company logo on conference banner.
