

Water Distribution Operator – Oahu

Pural Water Specialty Co., Inc. is an experienced State of Hawaii licensed contractor providing services statewide and the Pacific, for potable and non-potable water systems, water management services and specialty services since 1988, with office locations on Oahu, Maui and the Big Island.

We are currently seeking for a qualified and experienced Water Distribution Operator to join our Oahu team. Duties include maintenance, repair and troubleshooting of water and/or wastewater and distribution systems water filtration treatment plants and distribution piping.

Duties & Responsibilities

- May perform a variety of skilled duties and operations; maintains and repair activities with water and/or wastewater and distribution systems including but not limited to wells, pumps, water catchments and storage systems, water filtration treatment plants, distribution piping, valves, fire hydrants and valves, flow control devices, taps, line stops, backflows, chlorination/dechlorination, and leak detection.
- Makes daily operations and maintenance inspections of assigned areas such as checking chemical feed systems, water collection and storage sites, water filtration treatment plants, and facility distribution system components.
- Installs flow meters, and backflow/cross connection prevention assemblies as assigned.
- Conducts chlorination and de-chlorination of new and retro-fitted water lines.
- Conducts water sampling of water wells and performs chemical analysis.
- Test, troubleshoot, repair and maintain distribution system equipment/parts, back flow devices, as well as other water systems and devices in a timely manner.

Qualifications

- High School diploma; Associates or Bachelor's degree preferred.
- 2+ years of recent work related experience in water and distribution systems preferred.
- Current Hawaii Distribution System Operator (DSO) or Water Treatment Plant Operator (WTPO) Grade 1 preferred.
- Valid driver's license with a clean driver's abstract.
- Able to work after office hours and travel off island as needed.
- Mechanically inclined and competent using with hand-held tools.
- Must be able to clear background checks for access to secure work sites.

Our full-time employees enjoy:

- 10 paid holidays
- 2 - 3 weeks of paid vacation
- Medical/Dental (employee's premiums are covered 100%)
- Education & Training assistance
- Field Techs have use of our company truck to and from work with a gas card, uniforms & work shoe allowance
- 401(k) & Profit Sharing Bonus
- 1 week of paid sick leave
- Wellness Program

Office Hours are Monday – Friday, 7:00am – 3:30pm

In support of the economic conditions that has affected Hawaii, local candidates will be given priority over out-of-state candidates.

Interested and qualified applicants are welcome to submit their resume and salary requirements to laurie.matsunami@puralwater.com.
